

RENAULT SPORT CLUB HOLDS CHARITY RUN FOR KIDS

On 24th December, the kids were treated to a fun day by members of the RS Club

South Africa's Renault Sport Club hosted an awesome pre-Christmas event that put smiles on the faces of all the kids who have found shelter and a home at the Epworth Children's Village in Germiston.

A Club Run was organized for Saturday 24th December and as part of the run, club members organised a fun day for the children which included lunch, cakes and cold drinks plus a jumping castle, ball games and skipping ropes.

A previous run to Makro had been held a few weeks prior in order to buy all the necessities for the various houses at the Children's Village as well as stationary supplies. The stationery was then packed into RS Club-branded backpacks and each of the 29 children present in the home at the time received one for the start of the 2012 school year. Additional backpacks were given to the home for those children who were not there on the day.

On the 24th, while the men put up the jumping castle and got the braai going, the ladies made salads, handed out chips and cold drinks to the children and got to know the housemothers. After lunch was served, the stationery backpacks were handed out and gifts for the homes were presented to the staff members.

A wonderful day was had by all, children and club members alike!

WHAT A FABULOUS INITIATIVE BY A FABULOUS GROUP OF FAITHFUL RENAULT ENTHUSIASTS.
